## Health and Safety Information

All of the following rules are in the interests of the safety of each participant involved in our parties, failure to comply with these rules will result in exclusion from the activity.

### GENERAL

Clothing should be suitable for the activity chosen. Only trainers are permitted in the sports hall.

### KAYAKING

Participants must be water-confident to a point where they can swim 25m unaided and are happy to be under water. All participants entering a kayak must wear a T-shirt.

### POOL WALKERS

Each participant will be limited to a five minute continuous period inside the ball – there is more than sufficient air for this length of time. Please ensure no participants suffer from claustrophobia as they will be in a confined space. No watches, jewellery and goggles to be worn in the balls.

### CLIMBING PARTY

All participants must wear suitable clothing and footwear – shorts or tracksuit bottoms and comfortable trainers.

### DANCE PARTY

All participants must wear suitable clothing and footwear must be worn.
