I have read the information regarding the swim school and understand that refunds will only be given at the discretion of the Centre Manager. I understand that the swimming teacher will not supervise my child until the start of the lesson (marked by the register), and I am responsible for them within the centre and changing rooms until this point. I understand that if my child is under 8 years of age I should remain in the centre during the lesson. The swim school staff will enforce measures to minimize the risk of accidents, however any activity in water has inherent dangers, and not all circumstances can be foreseen. In this knowledge I hereby give permission for my child to receive swimming lessons.
