Oxley Swim School

When do lessons take place?

Lessons currently run Monday, Tuesday, Wednesday and Friday afternoons.

Swim School dates

Our swim school runs 48 weeks of the year in four 12 week blocks. We have two 2 week breaks at Christmas and in August.

We find that the continuity of swimming for the children over the 48 weeks is conducive to their learning and actively improves their ability and stamina.

How to begin

Please register your interest by either

- Calling 01935 818270
- Visiting Oxley Sports Centre
- Emailing swimming@sherborne.com

You will then be contacted to arrange a pupil assessment (assessments are necessary to make sure your child is allocated the correct group).

Assessments take approximately 15-20 minutes and are free of charge. The teacher will inform you of which class would be suitable for your child and issue you with an assessment form.

Please take the form to reception where they will check the availability for the required class.

Complete a booking form and pay for the remainder of the block to secure your place.

Payment

There are two options of payment for swim school

- You may pay for each 12 week block as an upfront fee of £72.00
- You may pay £22 a month by Direct Debit

Block payment

Four weeks before the end of each 12 week block your child will receive a re-enrolment form to let you know if they are staying or moving up a group.

If you are paying by blocks you will be given a two week time limit to pay in which you will receive one lesson free for the next term.

Should you miss the deadline you will be required to pay the whole amount.

Should you not pay by the end of the term then your child will lose their place on the swim school until such time that you pay for their lessons.

DD payment

Four weeks before the end of each 12 week block your child will receive a re-enrolment form to let you know if they are staying or moving up a group.

Your child will automatically be re-enrolled into their appropriate group as your payments are on a continuous basis.

The DD payment takes into account the free lesson each term and your child will also receive FREE swimming during all public sessions whilst enrolled in swim school.

If you start your lessons before the 15th of the month you will be required to pay the £22 at time of booking and your first DD payment will go out the following month. If you start your lessons after the 15th of the month you will pay a pro rata payment until the end of the month and the following month up front. Your first DD payment will then go out on or around the 1st of the following month.

Should you wish to cancel you will need to give the centre one month's written notice and then your child will be taken off their lessons once the payments cease.
