Pool Hygiene and Rules

We follow National Pool Water Guidance to keep the pool water clean and safe, but we need you to help, therefore can you please:

- Shower before your swim as this removes grease and dirt, for example, makeup, hair product and chemicals in deodorants.
- Use the toilets provided to keep the water clean for all customers.
- Please do not wear outdoor footwear onto the poolside so you don't transfer dirt to the poolside areas.
- Make sure all youngsters not yet toilet trained wear aqua nappies which can be bought from reception.
- Do not swim if you have eaten a big meal or had an alcoholic drink less than one hour prior to swimming or if you have an upset stomach.
- Ask permission at reception before taking any video or photographic images in the building.
- Always walk and take care as surfaces in the pool area are wet and can be slippery.
- Follow the lifeguards' instructions, they want you to be safe and have a great swim.
- **Young Swimmers** - Please note that under eights must be accompanied and supervised in the water by a responsible adult aged 16 or over. Our ratio is one to one for under 5's and one to two for 5-7 years.
- The pool will be cleared 1 minute before each session is due to end. Public sessions will have two lanes in at all times. Members sessions will have a slow, medium and fast lane. Members and public lane sessions will have all lanes in. The last session of the day will be a 50 minute booking.
