  - Intensive lessons will take place **21st - 25th August**
- 

## Keep Swimming This Summer!

The Summer holidays are an amazing opportunity to get children practicing their strokes outside of their lessons. Oxley Swim School recommends that children swim for at least 30 minutes OUTSIDE of their lessons in order to see the most progress.

All Swim School students can swim for FREE during Public Swim session. Our pool timetable can be found on our Website.

Dear Parents and Guardians,

The Summer holidays are quickly approaching but before we all enjoy the sun, we'd like to remind you of some key dates and upcoming courses.

Our team would like to remind parents and guardians that they should **wait for children by the changing rooms** and should not walk across the poolside after lessons. Our changing rooms are accessible using a key card or fob, these are available at reception. Your first key card is free, any replacements are £5.

To keep our changing room safe and accessible to all customers, we ask that you **lock your belongings inside lockers** rather than leaving them in changing cubicles or on benches. We will be removing clothes left in cubicles. Locker tokens can be bought at reception for £2 each,

## Bradford Road, Road Works

Gas mains work will be taking place on Bradford Road from the 24th July through to the end of August. They will be placing up a 3-way light system on the junction between Bradford Road and Horsecastles Lane and our centre will still be accessible to all members!

We recommend all members adapt their travel for any delay caused by the new traffic lights. We will still be accessible via Yeovil Road and there should not be any major disturbance to our activities.

To keep up to date please visit the Swim School [Facebook group](#), the Swim School notice board next to reception, or our website at [www.oxleysc.com/swim-school-news](http://www.oxleysc.com/swim-school-news).

We hope you enjoy your Summer Holidays!

Kind regards,  
The Oxley Swim School Team
