Studio Cycling - A high-intensity exercise class on a stationary bike. Sessions are structured and incorporate various training modalities including power training, heart rate training and rhythm riding to the music. The studio cycling experience provides a fun and exciting atmosphere.

M45 - A 45-minute metabolic conditioning (MetCon) workout designed to improve cardiovascular fitness, strength, and endurance. Using a combination of functional movements, resistance exercises, and high-intensity intervals, M45 provides a challenging, full-body workout in a motivating group environment.

Hybrid - A high-energy training class, combining running, functional strength exercises, and endurance challenges, this class is designed to improve overall fitness, strength, stamina, and performance in a motivating group environment. Suitable for all fitness levels, with exercises scalable to individual ability.

Bootcamp - A high intensity class aimed at building both strength and muscular endurance. Sessions can include a mixture of cardiovascular, bodyweight and resistance exercises. Individually or through teamwork you will be encouraged by the instructor to reach new limits in personal performance. Kept outside all year round.

Run Club - A welcoming group running session suitable for a range of abilities. Tuesdays focus on developing running technique through drills and coached sessions, while Saturdays offer a relaxed social run designed to build endurance and enjoy running with others in a supportive environment.

Yoga - Yoga is an ancient practice that involves physical poses, concentration, and deep breathing. A regular yoga practice can promote endurance, strength, calmness, flexibility, and well-being.

Pilates - Pilates is a form of exercise which concentrates on strengthening the body with an emphasis on core strength. This helps to improve general fitness and overall well-being. Similar to Yoga, Pilates concentrates on posture, balance and flexibility.

Men That Stretch - A focus on flexibility, mobility and strength in this power yoga inspired session. A great way to future proof your body and expand your physical capability.

Aqua - Water based aerobic exercise class. A great low impact class using the water to create resistance. Improves cardiovascular fitness aswell as strengthening muscles and conditioning the body. A combination of shallow and deep water exercise using only body weight and with the aid of sponge noodles and dumbbells.

Kettlebells - This class ulitises the kettlebell for a variety of exercises that will help you to build muscle, increase strength and improve your flexibility and balance.

Pump fit - Pump Fit is a barbell-based, resistance workout that's specifically designed to help you get toned, lean and fit. During this class you'll target all of you major muscle groups (as we squat, lift, press and curl). Suitable for all levels.

Ladies Lifting Club - A new session designed to help ladies learn more about strength training and gain confidence using free weights. each week you will develop your lifting technique and gain some insight into the benefits of weightlifting, all in a social atmosphere.

Strength Club - A coach-led group strength training session held in our dedicated strength area. Using free weights, resistance equipment, and proven training methods, this class focuses on building strength, improving technique, and increasing confidence in the gym.

Silver Zone - A low impact class especially designed for our over 50 members. The variety of exercises makes the workout fun and keeps you motivated through the session. This class is a great way to become fitter, healthier and to meet people.

Supple Strength - Tai Chi, yoga and pilates all in one whole body workout. Guaranteed to improve cardiovascular and muscular endurance as well as flexibility

LBT - Legs, bums and tums; Low impact, high volume workout designed to target the lower body and core using a variety of body weight, resistance band and fitball exercises.

Step - Step aerobics is a form of aerobic exercise that involves stepping on and off a small platform/bench while doing upper body movements. The choreographed moves are done as moderate to high intensity cardiovascular workout and will get your heart pumping and challenge your stamina and coordination.

Boogie Bounce - A high energy, dance inspired workout performed on trampolines with a T-bar handle. Choreographed, fun, low impact routines that are suitable for all. Non slip socks must be worn.

Junior Gym - Gym sessions for ages 11-15 years that provide them with a fun and safe environment to kickstart their love of fitness. Instructors are always on hand to educate participants to ensure they are able to get the most out of their workouts.

Junior Strength - A supervised strength training class designed specifically for 9-13 year olds. Participants will learn safe lifting techniques, proper exercise form, and the fundamentals of strength training in a supportive and structured environment, helping to build confidence, fitness, and athletic performance.
